

Show Some Love

Show Your Cause

October 11, 2016

ShowSomeLoveCFC

Are you passionate about disaster relief, veteran services, animal rights, medical research or another great cause supported by the CFC? The second of four *Show Some Love* days invites Federal employees to show the charitable causes they care about most. Use accessories or attire to promote your cause, and share about it online.

Get involved:

- Wear a cause-related t-shirt, ribbon or pin, or get creative and put together an entire cause-themed outfit
- Snap a photo holding your cause sign and share it on the CFCNCA Facebook page (cause sign templates are available at cfcnca.org)
- Fill out and submit the personal story form available on cfcnca.org to let others know about your favorite causes
- Post on your personal social media channels about charities working to support the causes you care about most
