## 2019 Combined Federal Campaign of the National Capital Area Kicks Off

WASHINGTON, Sept. 18, 2019 – Today the [Combined Federal Campaign of the National Capital Area](#) (CFCNCA) launched its 2019 campaign. The CFCNCA is the charitable giving program for federal employees and retirees in the Washington Metropolitan Area and surrounding regions. This year’s goal is \$34 million and the campaign runs through Jan. 12, 2020.

The campaign theme, *Show Some Love*, highlights impacts and causes donors care about. It is complemented by *Show You Care* messaging which emphasizes the volunteer component of the campaign.

“It is important to recognize the collective impact federal employees and retirees are having when they give through the CFC,” said Vince Micone, Chairperson of the Local Federal Coordinating Committee that oversees the CFCNCA. “This year we want to highlight the positive effects these everyday philanthropists are having on the lives of those in need around the country and the world.”

With approximately 7,000 participating charities, the campaign gives donors many options to support causes they care about. Whether one is passionate about homelessness, disaster relief, veterans, education, animal welfare, or any other worthy cause, the campaign has a charity for each person to support.

Federal employees and retirees should donate through the CFC because:

- Payroll and annuity deduction allows them to **give a little each payment period**, adding up to a big contribution at the end of each year.
- They can **give to multiple charities** in one pledge.
- They can **have a collective impact**, joining colleagues to support thousands of vetted charities.

Federal employees or retirees who wish to donate or learn more about the campaign should visit [www.cfcnca.org](http://www.cfcnca.org).
