

# Human Trafficking Prevention

CFC Cause of the Week: December 31 – January 6

Human trafficking effects more than 20 million victims around the world.

## Here's how your CFC donation can help:

- ✓ \$85 supports a four-day camp for an at-risk young woman, helping her gain self-confidence, acquire life skills, and learn to protect herself.
- ✓ \$100 provides one in-person mentoring session for a new pro bono attorney handling a human trafficking case.
