

Education

CFC Cause of the Week: November 12 – 18

Lack of education is one of the biggest contributing factors leading to poverty. Around the world, approximately 114 million young people lack basic reading and writing skills.

Here's how your CFC donation can help:

- ✓ \$10 buys 50 books for preschoolers in a metropolitan area.
- ✓ \$50 tutors a child in reading and writing for an entire year.
- ✓ \$240 provides a child with access to a computer skills class.
