

# Eradicating Poverty

CFC Cause of the Week: October 15 – 21

Poverty is measured in different ways, but for those in developing countries, the bar is very low: less than \$2 per day.

## Here's how your CFC donation can help:

- ✓ \$25 provides two chickens to give families a lasting source of income and nutrition.
- ✓ \$150 buys a crib and mattress for new parents who cannot afford them.
