

Women and Girls

CFC Cause of the Week: October 8 – 14

Women and girls face gender-specific challenges including child marriage, lack of education, legal inequality, and gender-based violence.

Here's how your CFC donation can help:

- ✓ \$10 provides a woman with a new suit and career counseling to help secure job placement.
- ✓ \$85 supports a four-day summer camp for an at-risk young woman, helping her develop self-confidence and learn self protection.
